

Valutek Spunbond Polypropylene Beard Cover

Valutek's disposable SPP beard cover is made from 100% non-linting, non-woven, spunbond polypropylene fabric, offering comfortable protection for operators. It features a filament-covered, unexposed elastic band to ensure a secure fit and closure.

All Valutek beard covers undergo testing and are produced in ISO-compliant facilities with proper inspection and strict process control, upholding the Valutek quality standard and meeting product specifications.

Part Number: VTBCV

Features

- 100% non-linting, non-woven, spunbond polypropylene fabric
- Disposable, comfortable with full coverage
