

TerraCycle – Zero Waste Box For Disposable Garments

Part Number: CS67

As part of our dedication to sustainable development, Valutek is delighted to offer recycling solutions for your cleanroom consumables.

We are excited to announce our partnership with TerraCycle® to provide you with Zero Waste Boxes, which offer a convenient and easy way to recycle your gloves and apparel.

To further simplify the recycling process and encourage eco-friendly practices, we are offering an additional incentive: **Recycle your gloves with Zero Waste Boxes and enjoy cost savings on your Valutek purchases!**

Start saving on costs while also saving our environment by reducing your landfill carbon footprint. Valutek and Terra Cycle’s Zero Waste Boxes make it easy to do.

How it Works?

Please select the size of the box you would like to purchase. Once you receive your box, fill it with the appropriate waste streams.

When it’s full, take your box to any UPS location to ship your items back to TerraCycle.

There is a **pre-paid UPS shipping label already attached to your box**. Once we receive your box, we will safely recycle all of the collected materials.

Acceptable Waste

Please send us any brand and size of PE and PP non-woven disposable garments.

Unacceptable Waste

Do not send in medical waste.

This includes material contaminated with blood or bodily fluids that originate from health care facilities, hospitals, physicians’ offices, dental offices, blood banks, veterinary clinics, research laboratories, etc.

In addition, we also will not accept any Respirators, Contaminated Garments, Reusable Masks, Eyewear, Hard Hats, Fabrics Or Rubber-Based Garments.

What is Included?

- Color printed shipping box
- Pre-paid UPS return shipping label
- Processing of waste
